The 2019 Citizen Awards and Young **Citizen Awards**

The Council recognises the achievements of individual residents of the village by awarding Citizens Awards at its Annual Meeting in May. In 2017 the Stephen Higgins Young Persons' Award was added to include recognition of the efforts of younger residents who make Adlington a better place to live in and to visit. If you know of an adult or a young person under the age of 18 who has done something special or who regularly contributes positively to village life, please contact the Clerk with your nomination. Please note that the Council cannot accept nominations from family members

101 is the number to call when you want to contact your local police - when it's less urgent than a 999 call. 101 is available 24 hours a day, 7 days a week.

You Said...We Did...

You asked how Adlington would join in commemorations in this 1918/2018 memorial year.

Adlington Town Council along with Adlington in Bloom purchased and arranged for the erection of two Silent Soldiers in the memorial garden on Railway Road. Adlington Town Council volunteers put up the lamp-post poppies on Railway Road sponsored by Adlington, Anderton and Heath Charnock Councils and John Speers for Royal Dragoon Guards Association.

You raised concerns about disabled access routes around Adlington

We raised a comprehensive summary of issues at the Chorley Council liaison meeting raising:

- The lack of visibility of the pedestrian crossings over the A6 particularly at night when the "beacon" lights are very dim
- · The unsuitable nature of these crossings for visually impaired or disabled users as explained in last month's Open Forum, and the need for some alternative audio or physical indication that it is safe to cross
- The need for a consultation to advise on the possibility of creating a "safe route" for pedestrians through the village, linking this to the BBC news item which explained how this had been done in Trafford with the use of white lines on the pavement

You raised concerns around antisocial behaviour in specific areas of Adlington (in which police had been unable to take action)

We raised the issues with Chorley Community Housing to find out more about the incidents and any action which has been or can be taken.

You raised concerns regarding the potential shortfall of primary school places in Adlington & Rivington in the next five years.

Adlington Town Council contacted the LCC Cabinet Member for Education to ask why decisions on this matter are being made by Property Services rather than by the Education Department, and to express concern at the indication that the pressure for school places in Adlington is the result of a shortage of places in Chorley and asked for an explanation of how this will be addressed.

You raised concerns about the potential closure of Chorley Accident & Emergency (A&E) Department. Adlington Town Council has contacted Lancashire Teaching Hospitals NHS stating that Chorley has one of the fastest growing populations in the country and it is important that both the Chorley and Preston A&E facilities remain open, pointing out that access from Adlington to Preston is often subject to heavy traffic making it impossible to reach within the "golden hour" required for much emergency care. Closure of the Chorley A&E would also put pressure on emergency facilities outside the county. We copied the letter to local Councillors and the local MP

Remembrance Sunday

This year's Remembrance Sunday parade and service was very well attended. The Council would like to thank all of the organisations, volunteers and local residents who contributed to the success and safety of the event which also marked 100 years since the end of the First World War

North West In Bloom

Adlington & District in Bloom entered this competition as a joint enterprise between Adlington, Anderton & Heath Charnock & were awarded a Silver medal at a ceremony in Southport on 2 November. The group has worked very hard this year under adverse conditions as the hot, dry weather made it difficult to keep plants alive & the constant watering was a nightmare, Fortunately, several residents came forward to help by either providing water to members of the group or taking over the regular watering of beds & planters. This was a great help & the group is very grateful to all those who assisted in any way. Next year it is hoped to create a community garden on some spare land & plant fruit trees & vegetables which will be available free of charge to residents.

Lancashire Best Kept Village Competition

Adlington achieved some excellent results in this year's competition with the following areas receiving "Certificate of Merit" awards for being the best in Lancashire, against some very stiff competition. The Retreat won the Best Kept Pub/Inn/Restaurant

The Leonard Fairclough Memorial Garden won the Best Kept Public Garden The Town Council Notice Board on Park Road won the Best Kept Notice Board. The new play area on the Jubilee Recreation Ground was the runner up in the Best Kept Play Area. Congratulations to all those who help to maintain these assets in tip top condition. Higher & Lower Adlington are entered as two separate villages by the Town Council in order to make it easier for the judges. Only the top eight villages in each category are listed in the results. Lower Adlington came 7th overall & Higher Adlington didn't feature, so there is plenty of scope for improvement next year.

Friends For You - Adlington

Friends for you Adlington is a local befriending service run by volunteers for the people of Adlington, Anderton and Heath Charnock. Loneliness is a massive issue for people of all ages especially later in life. We aim to help you find friends you will enjoy spending time with. We can help with a weekly visitor who will come round at the same time and on the same day each week to chat and perhaps share a cup of tea

All our volunteers take part in Safe Space and other training.

We ask volunteers to visit for one hour each week.

Further information on becoming a Befriender or wishing for a visit from a Friend can be obtained on 07912 176402 or by emailing friendsforyouadlington@outlook.com.

Friends of Adlington Library hold regular events in the library. Every Saturday there is a Coffee Morning/Get Together from 10am until 12.15pm, everyone is very welcome to come along. There will also be activities at some of the Coffee Mornings

On Mondays there is Pram Club Stay & Play for babies and toddlers, from 10am until 11.30am, this is in The Centre attached to the library, access is through the main library building.

There are IT courses on Wednesdays throughout November and December, with a course on Tablet use starting in January. Please contact FoAL or the library to be included on these IT courses.

FoAL always need more volunteers, if you would like to help in any way please come along to one of the Saturday Coffee Mornings and introduce yourself. Please join FoAL's Facebook or Twitter pages for details of events or check the library notice board.
