Litter Pick and Skip Day

Luckier this time with the weather, volunteers and members from Adlington in Bloom and Adlington Council turned out to support our Litter Pick and Skip Day on the 21st September. Collecting rubbish from both ends of the village, many families also made good use of our free skip which was funded by Jigsaw Homes and located on Windsor Avenue car park. We would like to thank everyone who supported the day and we hope to repeat this event in 2020 – look out for the poster and come and join us.

YOU SAID WE DID.....

You said ... We would like to know what role Adlington Town Council play in the Planning Permission Process - **The Planning Process**

The planning permission system is complex involving strategic plans, regulation and law however the town council's part within it is to advise the decision makers. Planning applications are submitted to Chorley Council who prior to a making any decision undertake a formal consultation of neighbours and other stakeholders.

As part of this process the town council are asked to formally submit comments on applications. Applications to be discussed by the town council are published on the agenda, and members of the public are welcome to attend the meeting to make representations.

The town council's comments on applications are agreed by the council at the monthly meeting and are the considered response of the whole council (not any individual Councillor), who aim to represent the best interests of the community.

These comments are taken into consideration by borough council officers, or the planning committee of CBC if the application is a significant development. After taking into account all submitted comments (and considering all the strategic and legal issues) they make the decision as to whether planning permission is granted.

PUBLIC CONSULTATION

As part of the consultation process on the sites proposed for inclusion in the next **15 year strategic Central Lancashire Development Plan for Chorley, Preston and South Ribble and Options** - there will be a drop-in meeting for Adlington and Anderton arranged for **Tuesday 14 January 2020** – call in any time between 4-7pm in **Adlington and District Community Centre on Railway Road** which Planning Officers will attend to discuss the issues, the proposed sites and the options.

LANCASHIRE BEST KEPT VILLAGE COMPETITION

Unfortunately, neither Higher nor Lower Adlington won an award in this year's competition, the Retreat received a Highly Commended certificate in the "Pub/Inn/Restaurant" category & Adlington Primary School was 4th in the "Schools" category. BH Fabrications & the White Bear Marina were listed in the "Industrial/Commercial" premises category & the Town Council noticeboard on Park Road was also listed. The judges' comments overall were favourable and praised the lack of litter, thanks to our litter pick in June but they also commented on the number of weeds around the village. With your help we are challenging ourselves to improve our scores next year.
