

ADLINGTON TOWN COUNCIL

Minutes of the meeting held on Monday 19 July 2021 held at Adlington and District Community Centre, Railway Road at 7.15pm and compliant with coronavirus social distancing measures

Present:

Councillors: Cllrs K O'Donnell (Town Mayor), B Speers (Deputy Mayor), C. Hart, J Lowe, J Molyneaux, P Walkden, S Clewlow and K Snape

In Attendance: S Edmundson (resident at the Open Forum) and Christine Bailey (Clerk).

1. **Open Forum:** Mr Edmundson said that he wanted to ask when Adlington might get a local electric vehicle (EV) re-charging facility as the nearest is in Chorley Town Centre. Living in a terraced property, he would not be able to have a facility at home due to the cable being a potential trip hazard across the public footpath. Cllr Speers said she thought an option of the cabling being buried beneath the pavement exists but might be costly. The Town Council agreed to investigate the policies of both the County and Chorley Councils, to identify any potential opportunities for a local EV re-charging facility and how it might be funded, and to consider costs and practicality. The Town Mayor thanked Mr Edmundson for raising a pressing and real concern which would need to be addressed.
2. **Apologies for Absence:** Cllrs A Robinson, N Buckley and P Wilson gave their apologies to the meeting.
3. **Minutes of the Meeting of Monday 21 June 2021:** The draft Minutes were proposed and seconded for approval and were signed by the Town Mayor.
- 3.1 **Matters Arising:** Progress was queried in respect of the replacement fencing on the pedestrian access over the railway line on Railway Road.
