Litter Pick and Skip Day

Volunteers and members from Adlington in Bloom and **Adlington Town Council** turned out to support our Litter Pick and Skip Day in July helped by residents collecting rubbish from several areas. Many families also made good use of our free skips which were funded by Chorley Council and Jigsaw Housing and located at both ends of the village. Our Town Councillors with the help of Chorley Council staff ensured that any recyclable items were passed on for further good use to both local and overseas charities, including St Catherine's charity shop and the Chorley and District Support for Ukraine Group. We would like to thank everyone who supported the day.

Adlington Good Food Club along with Chorley Buddies is getting a huge amount of support from **Adlington Town Council** and our neighbouring parishes of Anderton and Heath Charnock with 6 local councillors amongst our band of dedicated and amazing volunteers, saving food from going to landfill and beating the economic crisis. Every Monday – 10:30am St Pauls Church.

YOU SAID WE DID.....

You said ...we are concerned about the speed of traffic travelling through and around the village.

Adlington Town Council have joined forces with our two local parishes and with the help of Chorley Council we have had a Speed Indicator Device (SpID) installed on Railway Road to record the speed of traffic travelling down the main route between both major roads. The device will be moved between the three council areas on a rota basis. We have also placed a box of FREE stickers for residents to stick on their bins which are large enough to be seen from a vehicle and will remind drivers at least once a week to SLOW DOWN. Pop down to the library to pick yours up.

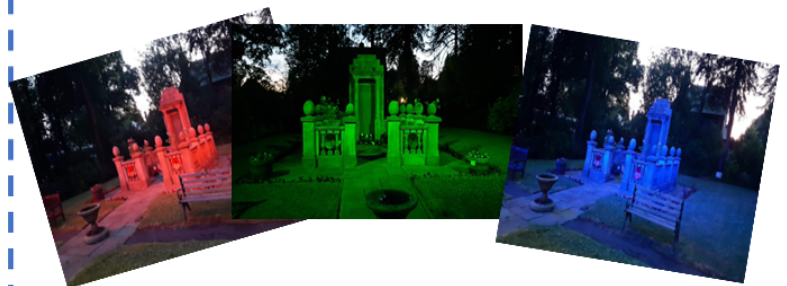

SLOW DOWN SAVE LIVES

You said ... we are concerned about the proposals for the refurbishment and development of the Jubilee Recreation Ground

Adlington Town Council invited a representative from Chorley Council to our meeting to listen to the views and concerns of residents, and it was agreed at the meeting that Adlington Town Council would support the request for an updated and more suitable plan to be presented again for public view at a further consultation. This was held on 23 August, we advertised links to enable you to submit your views online for those who couldn't attend this event. We will keep you informed through our notice boards and social media pages of any progress.

You said ...We would like to join in more national events as we did for the Jubilee and Coronation events.

Adlington Town Council with the help of Chorley Council did this ...

The lighting installation with a choice of colours, will enable us to light up and enhance the memorial on Railway Road to celebrate and commemorate some of the national events.
