### **6. Items for Discussion:**

6.1 The main changes to procedure agreed at the Remembrance Service planning meeting were discussed: only one Guard of Honour will be trialled on the return to the Community Centre to reduce the time required for guests to be seated inside the Church and Cllr Clewlow to be the Parade Marshal with a named Uniformed Youth Group Leader to assist him to manage the positioning of their junior members. The Road Closure Order has been approved. The Town Mayor has displayed the large lamp post poppies on Railway Road.

6.2. The on-site demonstration of the lighting of Adlington War Memorial had gone well. It was agreed the War Memorial would be lit in red from 5-10pm daily from Sunday 5 -12 November 2023. There has been no update on the request for an app to the light the War Memorial remotely. It was proposed that the War Memorial would be lit for the twelve days of Christmas in different colours and on other appropriate national occasions following the lead of Chorley Council.

6.3. The arrangements for the Carol Concert were discussed including a request for help to set up the seating from about 6.30pm. The Town Mayor asked that all Town Councillors attend to be hosts to welcome guests as they arrive and to be visible during the event. Cllr Lowe will order the hot pot supper. Local businesses will be approached for raffle prizes.

6.4. The Town Mayor asked for the following to be approved as urgent business:

- To note that no CIL monies have been awarded to the Town Council in the first half of 2023/24 financial year
- To approve two additional payments requests under item 8.5:
  - The £57.60 underpayment to the Town Mayor from the previous meeting for the Go Daddy Web software renewal
  - Chorley Council's invoice dated 13 October 23 for the uncontested election fee £623.52 which is requested for immediate payment
- Cllrs Speers updated on the demand for the Adlington Food Club and the additional support needs that some of its members are experiencing. Unlike the other Food Clubs in Chorley, the Church has not charged any rent and it is also struggling financially. The Club has donated some goods in kind to support the Church. It was agreed the Food Club will be a regular Agenda item.
- Cllr Molyneaux said that Chorley Council will be taking down three poplar trees which are not safe and some self-seeded trees as part of the pre-works prior to the upgrade of the Jubilee Recreation Ground.

**7. Planning:** there were no applications to consider
