Do you know someone who deserves an award or recognition? Then why not make a nomination. (see "This Years Stars" above). Look for the stars in this addition to demonstrate where we are working in partnership with others to achieve a better outcome for our community.

STARS

Adlington Town Council recognises the achievements of individual residents of the village by awarding Citizen Awards and also The Stephen Higgins Young Citizen Award. If you know of adult or a young person (under the age of 18) who has done something special or regularly contributes positively to village life, please contact the clerk with your nomination. Please note the council cannot accept nominations from family members.

Adlington Youth Club

Adlington Youth Club meet at Fairview Youth & Community Centre every Friday at 6:30 - 8pm. The club is a joint initiative between the Fairview Community Centre, volunteers, Inspire Youth Zone, Adlington Town Council, Chorley Council and Chorley Rural Police Team and offers a chance for our youth to meet in their own space with activities such as Pool, table tennis, crafts, bingo and with music and snacks also on offer.

If you would be interested in your child attending the club, or you are interested in helping, come along and have a look or please ring 01257 228888 or email: Michael.wilkinson@inspireyouthzone.org

This Year's Mayors Charity

The mayors charity this year is Chorley Women's Centre, who are an independent organisation run by volunteers. They are dedicated to supporting women of all ages regardless of circumstances within Chorley and the surrounding area, including Adlington. This is their 40th year of helping women find solutions to any problems, and help women feel empowered. So far, we have raised just over £600 and donated 240 toiletry items. If you would like to donate anything, please get in touch with our Clerk. Thank you for all your support.

Lancashire Best Kept Village

The Town Council with the help of Adlington & District Bloom has agreed to enter this competition again this year & will split the village into two parts – Higher & Lower Adlington. In 2022 both parts of the village won several awards, but this dwindled to one in 2023. With a determined effort on everyone's part, we could sweep the board again this year. The judges will be looking at:

- the external condition of buildings in the village, both public & private
- an absence of litter & weeds, plus general tidiness
- evidence of biodiversity & nature conservation (new)
- waste reduction & recycling (new)

Please play your part in looking after the village.
Every little helps!

Thank you to everyone who supported us

We would like to thank all those who supported the Carol Concert held in December 2023 and made it such a success.
The Rivington and Adlington Band were superb as always, the supper purchased from Real Honest Foods was well received, the raffle prizes donated by Deighans Funeral Services and several private donators enabled us to further support the mayor's charity, and of course thank you to all who attended, you make it all worthwhile.

ADLINGTON GOOD FOOD CLUB

SVP Chorley Buddies Adlington Good Food Club have supported the wider community of Adlington, Anderton and Heath Charnock and their social activity groups by providing the Luncheon Club, Fairview Friends Together Group, Adlington Area Friendship Group, Adlington Youth Club, and FoAL with food and raffle prizes to contribute towards their meetings. By watching the "use by" and "best before" dates from our pick ups we can support our wider community by making sure all the food we collect is used at the best time and by the best resource, as well as providing our weekly shop to our members we continue to extend our offer beyond our Monday food club walls and help our residents of all ages.

! THIS COULD HELP YOU SAVE A LIFE

Did you know we have several defibrillators in the village? If you need to use one in an emergency call 999 and the call handler will tell you where the nearest defibrillator is located and how to access it – you don't need specialised training. Adlington Town Council check their own units every week to ensure the batteries are still within their lifespan and replace any components required and any pads that have been used are also replaced.
